Board Report

The Board present this report of This Life Cambodia Incorporate (hereinafter interchangeably referred to as "This Life" or the "Association") for the financial year ended 31 August 2021.

This Life is a not-for-profit, non-government organisation registered in Australia as an Association with the Australian Charities and Not-for-profits Commission, with charity status for taxation purposes. This Life is a Public Benevolent Institution and has Deductible Gift Recipient (DGR) status with the Australian Tax Office.

Principle Activities

This Life empowers Cambodians to make an impact on complex social justice issues, using community consultation approaches, community development techniques, and strength-based case management for direct service provision to children and families. This Life listens to, engages with and advocates side by side with children, families and communities as they define and act on their own solutions. This Life's work is focused on providing and enhancing opportunities for communities to develop the essential infrastructure, skills and knowledge to make positive sustainable change in the lives of children and families who face compound disadvantages resulting from, and contributing to, the cycle of poverty.

This Life currently delivers services under three sectors: Children and Families, Communities and Impact, Learning & Effectiveness. The Children and Families section includes This Life Beyond Bars (TLBB), This Life Without Bars, This Life In Family (TLIF), This Life With Choices (TLWC), This Life Reuniting Families (TLRF) and Vocational Training and Social Enterprise (VTSE). The Communities section includes This Life in Schools (TLIS) and This Life Without Violence (TLWV). The Impact, Learning & Effectiveness section comprises of Research and Policy (R&P), Monitoring, Evaluation, Accountability and Learning (MEAL) and Capacity and Partnership Development (C&PD). This Life's programs evolve organically, building upon its knowledge and strengths in service delivery, filling gaps as communities identify them through its participatory and consultative processes, resulting in its program areas being complementary and interlinked. This Life's strong and emerging partnerships with the government enhance both our credibility and capacity to assist in addressing Government Plans as well as the Sustainable Development Goals. While This Life continues to engage at the commune level in areas of greatest need, it is changing focus to work more closely with the district level in recognition of the capacity of provincial leaders to be able to impact knowledge and skills to commune authorities.

Board members

The names of the directors in office at any time during, or since the end of, the year are:

Name	Term Start	Term End	Position Held at 2021/22
Hayley Lee Allen	14 May 2019	Ongoing	Chair
Matthew Lucas	18 December 2021	Ongoing	Vice Chair

Kellie McGregor	19 October 2019	27 August 2021	

Vision

This Life's vision is that children, families, and communities are supported to access and create opportunities in this life.

Mission

This Life's mission is to listen to, engage with and advocate side by side with children, families and communities as they define and act on their own solutions to complex social challenges.

Values

This Life's values incorporate:

- We Listen. Listening is a foundational value, whether listening to the people we support in communities, to each other, or to our supporters and partners.
- We Collaborate. Our talents and abilities are multiplied when we work together, understanding each other's expertise, respecting each other's contribution and challenging each other to achieve more.
- We Have Integrity. We hold ourselves to the highest ethical standards and are open and accountable to each other, to authorities, to donors and to beneficiaries about what, when, why, and how we do things.
- We Balance. We are mindful of our personal lives and health, so we pledge to always find time to look after ourselves and look out for each other.

Programs

This Life Cambodia provides programs and services via three programmatic areas; Children and Families, Communities, and Impact, Learning & Effectiveness.

Children and Families Section

This Life Beyond Bars (TLBB)

The program aims to improve the skills and knowledge of children and young people in prison, in order to help them successfully reintegrate into their communities after their release. The program also helps fortify family relations, during periods when family members are incarcerated.

This Life In Family (TLIF)

This Life Family aims to support and preserve vulnerable families at risk of separation. This program provides short-term early intervention response for juveniles and parents at the point of coming into conflict with the law, long-term service provision and family support for children of parents in prison (Income generation, education scholarships etc.), development of a family preservation response model and research and exploration into kinship care in Cambodia as a community-based care option.

This Life With Choices (TLWC)

This Life With Choices aims to increase and strengthen the reach and accessibility of both drug and alcohol treatment and awareness information, in Cambodia.

This Life Reuniting Families (TLRF)

In recent years residential care in Cambodia has been increasingly common and many children have been unnecessarily separated from their families and placed into institutions. The aim of This Life Reuniting Families is to reintegrate children from orphanages with their families and communities. The team uses a strength-based holistic case management system in accordance with international best practices to support this process.

This Life Without Bars (TLWB)

This Life Without Bars aims to provide a community based diversion pathway, for children who have committed nonviolent crimes, as an alternative to prison based sentences.

This Life

House 463 Group 10 Taphul Village, Sangkat Svay Dangkum Siem Reap, Cambodia www.thislife.ngo contact@thislife.ngo +855 (0) 63 966 050

Vocational Training and Social Enterprise (VTSE)

Vocational Training and Social Enterprise aims to provide valuable commercial services which allow us to provide vocational training, skills building and job opportunities to young people, including work in the community or the setting up of their own businesses.

This Life Reimagining Care (TLRC)

This Life Reimagining Care aims to identify and engage the Residential Care Institutions (RCIs) that are committed to reintegrating children back to family based care and transition themselves to other community based care or closure.

This Life New Horizons (TLNH)

The program aims to co-establish groups of engaged care leavers where they come together voluntarily and are provided with a platform through which they can achieve their full potential.

Communities Section

This Life Without Violence (TLWV)

This program aims to reduce the incidence of violence against women and children in Cambodia, including its harmful impacts on women, girls, children, families, and communities.

This Life In Schools (TLIS)

This Life In Schools improves both access to, and the quality of education, by directly engaging community members in school development and management.

Internships For Young Cambodians

This program goal is to assist fresh high school graduates from low-income families to access university and on the job training.

Impact, Learning & Effectiveness Section

Research and Policy (R&P)

This team provides rigorous, high-quality, and ethical research that helps guide the development of evidence-based policies and future projects. This supports learning, change, and innovation both within and beyond the association.

Monitoring, Evaluation, Accountability & Learning (MEAL)

This team monitors and evaluates the implementation of This Life's projects, in order to assess their status, efficiency, effectiveness, and impact.

Capacity & Partnership Development (C&PD)

Capacity & Partnership Development aims to provide organisational development and capacity building support to organisations working in the development sector to maximise the impact and sustainability of interventions.

Result

Total revenue for the year was AUD 2,268,130 (2020: AUD 2,683,041), of which AUD 1,991,382 (2020: AUD 2,289,695) was grant income, AUD 113,849 (2020: AUD 134,066) was general donations, and the remainder a combination of revenue from consultancy services, monitoring and evaluation and other income. Total expenditure for the year was AUD 2,033,786 (2020: AUD 2,299,764).

Overall, This Life has a surplus of AUD 234,344 (2020: AUD 383,287).

Review of Operations

This Life experienced a 5.95% drop in revenue compared to the previous financial year. However, as a result of the Covid pandemic, many in-person, individual and group training activities were required to be moved online to ensure the safety of the people we work with. This resulted in reduced community activity expenditure and travel costs.

During the financial year, This Life received additional funding to provide unconditional cash transfers to families receiving case management through our programs. The aim of cash transfers is to deliver timely and cost-effective assistance to crisis-affected populations, while at the same time supporting local economies.

In 2021, This Life was awarded six international awards and shortlisted for another six, which added another level of recognition to the association and further enhanced our visibility. During this financial year, we ensured our financial statements were compliant with the standards of the Australian Council for International Development (ACFID) and the Audit report complies with ACFID Code of Conduct, ACFID Quality Assurance Framework and ACFID Mandatory Financial Guidelines.

Environmental Regulation

This Life has adequate systems in place for the management of its environmental requirement and is not aware of any breach of environmental requirements as they apply to the representative office.

Significant Changes in the State of Affairs

There was no significant change in the state of affairs of This Life that occurred during the financial year ended 31 August 2021.

Future Developments

This Life will not undertake any change in its general direction during the upcoming financial year. However, its revenue is expected to remain stable over the next year and forward planning is in place to manage any growth or decline. Our 5-year Strategic Plan which has kicked off from 1 September 2020 will be reviewed in the next financial year.

COVID-19 Pandemic

COVID-19 pandemic and its related impacts have not had any significant impact on the recognition and measurement of assets and liabilities of This Life as per its statement of financial position as of 31 August 2021.

Dividends and Options

This Life's Constitution does not permit dividends and therefore no dividends have been recommended or paid for the year under review.

Auditors' Independence Declaration

A copy of the Auditor's Independence Declaration as required under section 60-45 of the Australian Charities and Not-for-Profits Commission Act 2012.

Signed in accordance with a resolution of the Board.

Events subsequent to reporting period

There has not arisen in the interval between the end of the financial year and the date of this any other item, transaction or event of a material and unusual nature likely to affect significantly the operations of This Life, the results of those operations, or the state of affairs of This Life in future financial years.

Independent Auditor's Report to the Board of This Life Cambodia Inc.

Report on the Audit of the Financial Report

Opinion

We have audited the financial report, of This Life Cambodia Inc. (the Association), which comprises the statement of financial position as at 31 August 2021 and the statement of comprehensive income and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the declaration by the Board.

In our opinion, except for the effects of the matters described in the Basis for Qualified Opinion section of our report, the accompanying financial report of This Life Cambodia Inc. presents fairly, in all material respects, the financial position as at 31 August 2021 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 2 to the financial statements and the requirements of the *Association Incorporation Reform Act 2012 (Vic)*.

Basis for Qualified Opinion

We did not undertake the audit of the financial report of This Life Cambodia Inc. as at 31 August 2020, as we were appointed in January 2022 and therefore we were unable to obtain sufficient appropriate audit evidence regarding the comparatives.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the auditor independence requirements and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report is prepared to assist This Life Cambodia Inc. to meet the requirements of the *Association Incorporation Reform Act 2012 (Vic)*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of the Board for the Financial Report

The Board is responsible for the preparation and fair presentation of the financial report and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the needs of the members. Board member's responsibility also includes such internal control as they determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Board is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

The Board is responsible for overseeing the Association's financial reporting process.

Independent Auditor's Report to the Members of This Life Cambodia Inc.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
 detecting a material misstatement resulting from fraud is higher than for one resulting from
 error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
 override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board.
- Conclude on the appropriateness of the Board's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the
 disclosures, and whether the financial report represents the underlying transactions and events
 in a manner that achieves fair presentation.

We communicate with the Board regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to the Financial Statements

For the Year Ended 31 August 2021

These notes from an integral part and should be read in conjunction with the accompanying financial statements.

1 Reporting Entity

In Australia, This Life Cambodia Incorporated ("This Life" or the "Association") is a charitable organisation having registered with the Australian Charities and Not-for-profits Commission (ACNC) with The Australian Business Number (ABN): 12 806 513 245 and having its registered office at 92 Marion St Leichhardt NSW 2040.

In Cambodia, This Life has concluded a Memorandum of Understanding with the Government of the Kingdom of Cambodia on 11 March 2020 as an international non-governmental organisation. It has its principal place of management and controls at #463, Group 10, Taphul Village, Sangkat Svay Dangkum, Siem Reap City, Kingdom of Cambodia.

As of 31 August 2021, This Life had 90 employees (31 August 2020: 90 employees) including the Board.

2 Statement of Compliance

The financial statements herein are the general-purpose financial statements which have been prepared in accordance with Australian Accounting Standards and Interpretations and complies with other requirements of the Australian laws and regulations, particularly the Australian Charities and Not-for-profit Commission Act 2012.

The financial statements herein are for presenting the financial performance and the financial position of the Organisation as a whole (i.e., both Australian and Cambodian entity). The whole Organisation has been treated as a not-for-profit entity for the purpose of preparing the financial statements.

The financial statements lack compliance with all International Financial Reporting Standards (IFRSs),

The lack of compliance with all IFRSs is to meet the specific requirements set by the Australian Accounting Standards for not-for-profit entities.

For avoidance of doubt, the financial statements herein have been prepared to meet the regulatory requirements of the applicable law and regulations in Australia.

The financial statements do not constitute the statutory accounts to meet the regulatory requirements under the applicable laws and regulations in the Kingdom of Cambodia.

3 Summary of Significant Accounting Policies

(a) Basis of Accounting

The financial statements are the general-purpose financial statements expressed in Australia Dollars (AUD\$) which has been prepared in accordance with the historical cost convention and accruals basis of accounting.

This basis of accounting and the accounting policies summarised below are designed and adopted by the Association to meet its legal and regulatory requirements in Australia. They are not intended to produce financial statements that are compatible with International Financial Reporting Standards (IFRSs). Consequently, the financial statements may not be suitable for another purpose.

(b) Changes in Accounting Policies

The basis of preparation for the financial statements for the year ended 31 August 2021 has not changed from the accruals basis. For the year ended 31 August 2021 the accruals basis has continued to be applied to ensure compliance with the Australian Charities and Not-for-profits Commission Act 2012.

ABN: 12 806 513 245

Notes to the Financial Statements For the Year Ended 31 August 2021

These notes from an integral part and should be read in conjunction with the accompanying financial statements.

3 Summary of Significant Accounting Policies

(c) Significant Accounting Judgments and Estimates

When preparing the financial statements, the management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses. These estimates and assumptions are based on historical information and other factors which management consider reasonable. The accounts affected by these are accruals, revenue recognition of grants income, the useful lives of depreciable assets and inventory valuation.

(d) Foreign Currency Transactions and Balances

The United States Dollar (USD) is the functional currency of This Life. However, the organisation has converted USD (United States Dollar) to AUD (Australian United Dollar) in order to comply with ACFID's requirements. For the purpose of translating USD to AUD, This Life follows the exchange rate of the Reserve Bank of Australia.

The currency of Income Statement is translated at the transaction date while the Statement of Financial Position is translated at the closing rate. Differences in exchange rates resulting from translation are recorded in the income statement under the Other Comprehensive Income.

(e) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Association, the revenue can be reliably measured, and the specific criteria are met as follows:

Grant Income

Where conditions are attached to a grant which must be satisfied before the Association gains the right to receive the contribution, recognition of the grant as revenue is deferred until those conditions are satisfied.

Where such conditions are not attached to a grant, the revenue is recognised when the Association obtains control of the funds, economic benefits are probable and the amount can be measured reliably.

The expenditure, to which the grant relates, is expensed as incurred and may not correlate to the timing of grant receipts.

In circumstances where the terms of the grant stipulate that any unexpended funds are to be returned to the donors these unexpended funds are held as deferred income until such time as they are returned to the funding body.

Monetary Donations and Gifts

Monetary Donations and Gifts consist of donations from corporations, businesses, and individuals. Amounts donated can be recognised as revenue only when the Association gains control, economic benefits are probable and the amounts can be measured reliably.

Monitoring and Evaluation

Income from monitoring and evaluation of the programs implemented by This Life. Donors contribute grant funding to cover the cost of monitoring and evaluation of the program by the MEAL team. This income is disclosed separately in the financial statements as Monitoring and Evaluation.

ABN: 12 806 513 245

Notes to the Financial Statements

For the Year Ended 31 August 2021

These notes from an integral part and should be read in conjunction with the accompanying financial statements.

3 Summary of Significant Accounting Policies

(e) Revenue Recognition

Consulting Service Income

Consulting Service Income is the income received for external consultancy services provided by This Life to the external consultancies. Revenue is recognised when the service has been provided.

Motor Doctor Income

Motor Doctor Income is the income received from the sale of goods and services to customers in the motorcycle repair shop. Revenue is recognised when the significant risks and rewards of ownership of the goods have passed to the buyers and it can be measured reliably. Risks and rewards are considered passed to the buyer at the time of delivery of the goods to the customer.

Other Income

Other income consists of income from bank interest and other sales.

(f) Expenditure

Expenditure represents all expenses incurred in meeting the objectives of the Association.

Expenditures are recognised when it is incurred.

(g) Cash and Cash Equivalents

Cash and Cash Equivalents are comprised of cash on hand, cash at bank, and other financial assets with maturity of three month or less.

(h) Leases

At the lease commencement, the Association recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Association believes it is reasonably certain that the option will be exercised.

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any lease incentives received.

The right-of-use asset is depreciated over the lease term on a straight line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

The lease liability is initially measured at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then the Association's incremental borrowing rate is used.

Subsequent to initial recognition, the lease liability is measured at amortised cost using the effective interest rate method. The lease liability is remeasured whether there is a lease modification, change in estimate of the lease term or index upon which the lease payments are based (e.g. CPI) or a change in the Association's assessment of lease term.

ABN: 12 806 513 245

Notes to the Financial Statements

For the Year Ended 31 August 2021

These notes from an integral part and should be read in conjunction with the accompanying financial statements.

3 Summary of Significant Accounting Policies

(h) Leases

Where the lease liability is remeasured, the right-of-use asset is adjusted to reflect the remeasurement or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

(i) Cash Advance

Cash advances consist of advances to staff for organisational objectives including travel. Cash advances shall be cleared within ten working days upon the completion of the program expenses, either by reimbursement or by submission of valid receipts covering the amount advanced with adequate supporting documents, or a combination of the two.

For activities that are implemented over several weeks or months, cash advances must be made in installment.

(j) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Items of property, plant and equipment acquired for significantly less than fair value have been recorded at the acquisition date fair value.

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to the Association, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class Depreciation	
Motor Vehicles	5 years
Office Equipment	5 years
Computer and Software	3 years
Office Fit Outs	10 years

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

ABN: 12 806 513 245

Notes to the Financial Statements

For the Year Ended 31 August 2021

These notes from an integral part and should be read in conjunction with the accompanying financial statements.

3 Summary of Significant Accounting Policies

(k) Capital Grants Fund

When fixed assets are purchased with donor grants, capital expenditure is charged to the donor fund and transferred to the capital grant fund. Depreciation of donor funded assets is charged through the General Fund which is replenished by an equal transfer from the capital grants fund. The value on Capital Grants Fund represents the net book value of donor funded fixed assets.

(I) Staff Saving Scheme

The Staff Saving Scheme provides employees with financial incentives and encouragement to save for their future. All staff members are entitled to join the saving scheme after successfully passing their probationary period of employment.

The Staff Saving Scheme encourages employee savings through an individual commitment to personal contributions alongside an additional organisational contribution that is paid as follows:

- a) The employee contributes 5% or 10% of their salary each month into savings based on their salary.
- b) This Life contributes a benefit of 5% of the employee's salary into their savings. This benefit is only paid to those employees who complete a full year of savings.

To be eligible for the full benefit of the savings scheme the employee must remain in the scheme for a full 12 months. If they decide not to withdraw their savings at the end of the first year, during the second year their personal contribution is reduced by 50% and the This Life contribution and severance pay contribution remain at 5% of the salary. If the employee does not withdraw their savings at the end of their second year, in the third year the personal contribution is reduced to 0% while the This Life contribution and severance contribution remain at 5% of the salary. Thus, the employee continues to receive the additional benefit for less personal contribution if they roll their contribution over for three consecutive years.

(m) Seniority Indemnity

On 21 September 2018, the Ministry of Labor and Vocational Training ("MoLVT") issued the Prakas No.443 on the seniority Payment Indemnity, and subsequently amended by the instruction No. 042/19 dated 22 March 2019. It requires the employer to provide a seniority indemnity benefit to their employee's salary based on their length of service. The seniority provision is calculated at 15 days of employee's salary per year up to 2018 with a maximum of 156 days.

During the year, the Association has made all the payments in respect of this seniority indemnity.

Notes to the Financial Statements For the Year Ended 31 August 2021

These notes from an integral part and should be read in conjunction with the accompanying financial statements.

3 Summary of Significant Accounting Policies

(n) Income Tax

The Association is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(o) Goods and Services Tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST.

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

4 Cash and Cash Equivalents

	64,386	130,012

7 Leases

Right-of-use assets

	Buildings	Total
	AUD	AUD
Year ended 31 August 2021		
Balance at beginning of year		*
Additions to right-of-use assets	319,822	319,822
Depreciation charge	(62,463)	(62,463)
Exchange fluctuations	(1,502)	(1,502)
Balance at end of year	255,857	255,857

Lease liabilities

The maturity analysis of lease liabilities based on contractual undiscounted cash flows is shown in the table below:

	<1 year	1 - 5 years	> 5 years	Total undiscounted lease liabilities	Lease liabilities included in this Statement Of Financial Position
	AUD	AUD	AUD	AUD	AUD
2021					
Lease liabilities	45,808	192,393	151,166	389,367	277,755

Extension options

The building lease does not contain extension options which allow the Association to extend the lease term.

The Association includes options in the leases to provide flexibility and certainty to the Association operations and reduce costs of moving premises and the extension options are at the Association's discretion.

At commencement date and each subsequent reporting date, the Association assesses where it is reasonably certain that the extension options will be exercised.
